Hyatt Regency Washington on Capital Hill, Ballroom A

Breakfast will be provided

THE NEW ESA POLICY ON GUIDELINE DEVELOPMENT AND WHAT IT MEANS FOR EVERYDAY PRACTICE: EXAMPLES FROM THE 2017 GUIDELINES

Overview

An in-depth discussion of the ESA policy recently published along with interesting examples of clinical applications from earlier guidelines published or under publication related to topics ranging from POD and sedation, to the prevention of thrombosis.

Professor Edoardo De Robertis, MD, Ph.D.

Chair of the ESA Guidelines Committee and Chair of the Unit of Gynaecological and Obstetric Anaesthesia at the University Hospital of Federico II, Naples, Italy
